

Important Information Regarding Transition to New CLM System

Monday, **September 22, 2025**, Marathon will transition to **Sirion**, a leading Contract Lifecycle Management (CLM) system designed to streamline the contracting process and enhance collaboration.

What's Changing:

Sirion simplifies how MPC manages contracts by offering:

1. **Email Notifications** – You'll receive email notifications when a contract requires your review.
2. **Direct Access** – Each email will include a secure link (active for 90 days) to the relevant contract or action item in Sirion.
3. **No Account Setup Required** – There's no need to create a Sirion account.

Next Steps:

- **Add Us to Your Safe Senders List** - Please add contracts@law.marathonpetroleum.com and sirionadobe_svc@marathonpetroleum.com to your address book to ensure you receive important emails.
- **Reach Out for Support** – Contact your respective Supply Chain Contacts with specific questions or requests for assistance.
- **Note:** *Additional contract-specific information will be shared in follow-up communications.*

Sirion will improve Marathon's contract management process, fostering greater efficiency and transparency. Thank you for your continued partnership!
